

***** VETERANS - FREE TRAINING *****
Project Management Fundamentals Class
(Full Ride to PMP Certification for Graduates of the Course!)

Black Diamond Charities (BDC), in partnership with PMI Chicagoland Chapter, offers a project management training class to military veterans who want to strengthen their resumes and improve their job skills. Veterans who attend this class will learn how to apply the management and leadership skills they acquired in the military to projects in the business world through lecture, exercises, and coaching. Up to five Military Spouses will also be accepted to each session.

Through this class you will:

- Build a project team and develop a unique project scope
- Define the needs and expectations of your stakeholders
- Prepare a timeline
- Develop cost estimates and project budget
- Address quality, communications, risk and procurement

Veterans work in teams of 5 - 6 and jointly present their project plan to an Executive Panel.

This is a 23-hour course, taught over three consecutive Saturdays, 9AM to 5PM Central Time

- Saturday, October 5, 2024
- Saturday, October 12, 2024
- Saturday, October 19, 2024

Session will be virtual, over Zoom, open to US Military Veterans world-wide (30 students max)

PMP Credentialed Volunteers teach the course. Black Diamond Charities will supply all materials. There is no cost to the Veterans or Military Spouses.
